What Is Adopt-A-Student?

A Chance to Change a Life

Our Lady of Mount Carmel School is second to none in providing a high-quality, values-based education where students learn to respect themselves and others. But many families in our community who want a brighter, faith-filled future for their child can’t afford the benefit of a Catholic school education.

Recipients of Adopt-A-Student scholarships have significant financial need. Often, these are hard-working single-parent families and grandparents who are legal guardians, trying to provide an education in the tradition and environment of Catholic schools. As a result, we have seen students who were recipients of scholarship awards excel and develop into promising future leaders.

Many students now in our school, through Adopt-A-Student have languished or been lost in traditional schools. Instead, the advantage of a Catholic school education, supported through Adopt-A-Student, has meant the difference between a life lost and a future filled with promise.

A Sound Investment

With minimal overhead, Adopt-A-Student gifts, dollar-for-dollar, have a greater direct impact on a young life than most any scholarship program today.

Not Charity, but a Chance

Instilling the values of hard work, respect, and reaching their full potential is part of our Catholic mission. Adopt-A-Student scholarships are awarded not only on financial need but also on academic merit. Each Adopt-A-Student scholar must adhere to their school’s code of conduct and be walking examples of our school mission statement. In addition, each family must pay a portion of the tuition fee — creating a true partnership and investment by all.
